A LUXURY INN AS COMFORTABLE AS IT IS ELEGANT

As a luxury inn, Doone's Inn at Oakmont features the comfort and hominess you'd expect from the finest bed and breakfast. Yet Doone's is no ordinary B&B. That's because it was designed and constructed in 1994 expressly as an inn — with everything that today's traveler demands.

Doone's eight spacious rooms offer first-class accommodations with their own private bath *en suite*, including tub and shower. The closets are ample, and every room features TVs, phones, and wi-fi to keep guests connected.

In addition to great comfort, each room is filled with character, too. The décor recalls the legendary history of Oakmont. Some rooms offer the added charm of a fireplace. One features its own porch for quiet relaxation.

For the ultimate stay, ask about our private suite — with its private living area.
